Gifted & Talented (GATE) Parent Concern / Complaint Process

The Franklin Borough School District is committed to supporting gifted and talented learners and ensuring families have a clear, supportive process to share concerns or questions.

Step 1: Start with the GATE Teacher

Mrs. Roberts, GATE Teacher

Email: lroberts@fboe.org

Share your concern or question directly.

The teacher will review student information.

A response and/or resolution will be provided as soon as possible.

Step 2: Supervisor of Instruction

Mrs. Ryder, Supervisor of Instruction

Email: cryder@fboe.org

Reviews prior communication and student data.

Collaborates with staff as needed.

Provides next steps or resolution guidance.

Step 3: Formal District Review (If Needed)

If concerns remain unresolved, families may submit a written complaint to district administration.

Include:

- Student name and grade

- Description of concern

- Steps already taken

- Desired resolution

The district will review and respond in writing in accordance with NJDOE expectations.

Our Commitment to Families

We are committed to fair and equitable identification of gifted learners, high-quality enrichment services, open communication, and compliance with NJDOE Gifted & Talented guidelines.

Reminder

All concerns are handled confidentially. Families will not face retaliation for raising questions or concerns.

Together, we support the growth and success of every gifted learner.
